Edmonton.

Thinking possibly that some of my friends in Adair county who are readers of the best county paper published, The Adair County News, would not object to a short letter from a former correspondent.

My mother and I left Gradyville, Adair county, Dec. 8th, 1908, and are now located in Metcalfe county, two miles north of Edmonton on the Edmonton and Horse Cave road, in a fine farming country, tobacco, corn and hay being the principal crops.

We have had so much rain this spring farmers are behind with their work. But very little corn planted. Wheat, oats and grass are looking fine.

Tobacco plants will soon be ready for transplanting.

Corn is worth 70 cents per bushel, wheat \$1.25, per bushel, flour \$3.40 per cwt.

Well if this appears in print before it reaches the waste basket, I will promise to write again some time. Success to the News, its many readers and correspondents.

G. C. Wilson.

Cloyds Landing.

Mr. and Mrs. Jerry Turner were visiting the latter's mother, Mrs. Ross, last week.

Mr. John Carter and Alex Moore made a business trip to Tenn., last week.

Uncle Toney Graves of this place, died April 25th, age 83 years. He leaves eight children to mourn his loss. He will be greatly missed by all his friends.

Mr. Barton Filpot and daughter Maggie, of the Arat community, made a trip to Texas. Started home and reached his sons, and died April 25th. He was brought back to his old home burying ground.

Mrs. Docia Butler, was the guest of Mrs. Maudé Cloyd last Wednesday.

Mr. Lewis Turner visited his father-in-law of Seuter Point, Tuesday.

Mrs. J. L. Giddings of Blackferry, is very sick with chills at this writing.

Mr. Press Cary of Seuter, died last Wednesday.

Mrs. Sarah Stockton of the Arat community, is very low with stomach trouble.

Mr. A. R. Butler of Marrowbone, is very sick.

Mr. L. C. Butler and son Billie, visited the home of A. R. Butler last Wednesday.

Mrs. Ella Carter has a girl at her house.

Mrs. Nona Moore died suddenly a few days ago, at Mr. Wheeler Thrasher's.

There will be preaching next Saturday night and Sunday at Hanover, by Bro. Waddle.

Editor News:

Thinking a few lines from Oklahoma, would find a welcome space in your valuable paper I take pleasure in writing you a few.

I moved here one month ago from Memphis Texas, I am very well so far. This is the Orange Oil and Gass field that you see so much in the papers about. Gov. Haskell and Ex. P. Teddy Roosevelt. I can not tell you much

about this city only they have plenty of oil and gass here. I am using gass for cooking, heating and lights all at a cost of \$2.33 per month.

I came here to have my harness hangers manufactured. I was granted a patent of harness hangers March 9th, 1909, and I came here thinking I could have them manufactured here but failed. I went to Springfield, Mo., last week and made arrangements there to have them made in large quantities. I visited my brother, Dr. George C. Taylor, who left Kentucky 25 or 30 years ago, and is now living in Springfield. I called at the Government building while there to see N. B. Miller but he was away. I saw his home several times while I was there. He has a nice home in the city. I was told that Springfield had a population of 45 or 50 thousand. It has seven outlets of railroad, machine shops, &c. It has a railroad pay roll of \$200,000 per month and they are building new R. R. shops now that they claim will cost the R. R. Co. \$3,000,000.

Springfield has fine schools and churches, the schools are all free. I visited the old Battle fields while there and the old soldier entrenchments; are very plain yet. A large pencil factory in the midst of them. The battle of Wilson's Creek was fought ten miles from Springfield, and the Federals were defeated by Price and McCulloch. The Federal loss was heavily.

W. L. Taylor.

Editor News:

Thinking perhaps some of the readers of the News, would like to see a few lines from this part I shall endeavor to write a few.

Believe the health of the use-to-be Kentuckians in general is very good.

Farmers are done planting corn in this part.

The fruit has been greatly damaged by the late frosts.

Mr. Ben Rowe and family of Jamestown, Ky., who recently located here seem well pleased with the West. Mr. Rowe has a position as clerk, in Mr. Lindstroms dry goods and grocery store.

Mr. Luther Blankenship and family, also Mr. Ben Rowe and family, were visiting at the home of Mr. Ed Blankenship last week.

Felix Blankenship has recovered from an attack of measles.

Tom Blankenship killed a large wolf last week.

Mr. Sam Price has purchased two hundred acres of land at Pauls Valley Okla., and his son R. P. Price is farming the place.

Mr. Elmer Wooldridge has bought property in the west part of town and is now a resident of that part.

Mr. Sam Lester is talking of giving up farm life and moving to town.

Mr. Porter McFarland who has lived in Belle Plaine several years has moved on Mrs. Lizzie Pierces farm south of town and will farm the place.

Mr. and Mrs. Cornelius Blankenship, are enjoying very good health considering their age.

Miss Ina Dewall has a position

as clerk in Faltz Bros. store.

Will now close by saying we should be pleased to see in our News some letters from Rowena, Kendall, Helm, Creelsboro and Sewellton, Russell county, much oftener then we have the pleasure of seeing them.

Should my letter be worth the time and space I shall endeavor to write again.

Too Many Eggs in Setting.

It is a serious mistake on the breeder's part to give fifteen eggs to the setting, for this is more than the average hen can cover properly, and would be far better for the purchaser had he received only twelve or thirteen eggs, says a correspondent in Inland Poultry Journal. A hen may sit faithfully, stick to her work all the time and never leave the nest except for food and water, but what can she do if she has more eggs than she can cover? She attempts to spread her wings over the whole of them; but when an egg is pulled in at the front another peeps out at the back, and the result is that, in the course of the three weeks' hatching period, there is scarcely an egg that has not been exposed to the cold at one time or another. Examination of the eggs show decayed germs and dead chicks at various stages of growth and in different stages of decomposition. In early spring especially care should be taken to set only as many eggs as the hen can comfortably hatch, and the number may be variable, according to her size and the size of the eggs.

Humble.

We are having plenty of rain now.

There has been lots of sickness here. Most people are better.

Mr. E. P. McKinney visited G. K. Foley Friday.

Mr. Jim Holts machines are good, that is what everydody says.

The wheat crop is looking fine about here.

The farmers have planted some corn.

Rev. Moses Foley, and wife are better at this writing.

The prospect for a fruit crop was never more promising.

Messrs. Jim and Adonis Ashbrooks and Ira D. Foley went to Ono on business Friday.

There was a snowfall here Saturday.

Miss Ada B. Foley of this place returned home from school Friday. She has been attending school all winter. She reports that they have had a good school this winter.

Mr. E. D. Queens of Longstreet, bought a corn drill of F. L. Wilson of Russel Springs.

Mrs. G. K. Foley, who has been confined to her bed for several months is no better.

W. F. Feese and wife, visited J. W. Jones last Sunday.

Preaching at Knifley each third Sunday evening at 3 o'clock, by Z. T. Williams.

Liver Trouble Remedy Free

Any intelligent person can be his own doctor in the ordinary case of liver trouble, for the symptoms cannot be mistaken. If the white of the eye becomes yellowish, if the skin becomes sallow, if pimples and blotches appear, if the bowels do not move, if you have sick headache, if you are bilious, you may be sure that your liver is torpid or inactive. The quickest and surest remedy yet found for the cure of liver trouble or any of its symptoms is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. This wonderful remedy is not only a laxative, but a tonic as well. It will start the flow of gastric juice, thereby soon enabling the liver to do its work naturally. A bottle of this great liver remedy can be bought of any druggist for 50 cents or \$1, and in many cases a single bottle has cured a chronic case. For example, John W. Lee, 619 S. Pennsylvania ave., Indianapolis, Ind., had a stubborn and very long-standing case of liver trouble, with pimples, blotches, jaundice, etc., and it cured him. Mrs. B. Flinchum, Jackson, Ky., says the same of it. Thousands of families keep it in the house against just such an emergency, as you can never tell when some member of the family will need a good laxative.

In order to have you or any other sufferer from the liver make a test of Dr. Caldwell's Syrup Pepsin without personal expense, Dr. Caldwell will send you a free test bottle if you will send your name and address. The sample will show you how pleasant it is to take, how gently it works. It will start you on the cure of your trouble and convince you that you have found a cure. That is the object of the sample, and the doctor urges you to send for it today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.
